

Dun Laoghaire's first Boat Jumble took place on 28th March on the Carlisle Pier and proved to be a real attraction for the maritime bargain hunter with a good range of boating and sailing equipment and accessories, new and used on offer. The Boat Jumble also presented an opportunity for the marine trade to clear out surplus stock, boating gear and equipment - so a win-win for all!

Dun Laoghaire Harbour Company and Ronan Beirne would like to thank all the participants of the Dun Laoghaire Harbour Boat Jumble. It was you, both vendors and buyers, who made it the success it was. Hopefully this will become an annual event!
